Residential Local CL&W Programs

Program Description	Reward
Appliance Recycling. Recycle a freezer or refrigerator through CL&W's recycling program. Call ARCA at 800-922-3744 for details and pick-up schedule. Appliances need to be in working order. Room air conditioners and dehumidifiers can also be picked up in conjunction with a qualifying refrigerator or freezer.	FREE
Bill Credit Voucher. Purchase and install one of a variety of energy-saving items for your home and receive a bill credit ranging from \$15 to \$350 depending on the item you select. Bill credits are in addition to other rewards and tax credits that you may also be eligible for. There are approximately 12 different qualifying items on the Bill Credit Voucher, you select the one that makes the most sense for you. A few <u>examples</u> are door, window and pipe insulation products, "Smart" surge protectors, window and door replacements, home energy audits, and shade trees. Check out a complete listing on our website at www.cedarburglightandwater.com or call and ask us to mail you a voucher.	\$15 - \$350

Help your pocketbook and save our natural resources by taking action. Reduce energy usage in your home today through efficiency improvements and changes in the way you use energy.

For details on these residential programs and for a listing of programs designed for business customers, please refer to www.cedarburglightandwater.com and www.focusonenergy.com.

WELCOME TO ENERGY SAVINGS!

For Residential Customers of:

CEDARBURG

**LIGHT & WATER
UTILITY**

As a residential customer of Cedarburg Light & Water, you are eligible for a variety of rewards and incentives for energy efficiency improvements in your home. *Read on to learn more!*

With energy and fuel costs on the rise nation-wide, we are all looking for ways to save. **Making changes in your home to reduce your energy consumption is a smart move – and we can help!**

- ◆ CL&W offers several programs locally such as an appliance turn-in program, an Energy Fair, and a Bill Credit Voucher.
- ◆ CL&W offers the ability for you to participate in state-wide programs administered through Focus on Energy (Focus).
- ◆ All funding is provided through CL&W’s Commitment to Community and other local conservation programs, as well as through WPPI Energy.

The following pages outline some of the programs you may be eligible for. Programs occasionally change and may differ from the information provided in this brochure. For updated program incentives and specific details on how to qualify for Cash-Back Rewards, please visit the web sites shown below or contact CL&W and/or Focus directly.

For more information on local programs (listed at the end of this brochure), contact CL&W at:

- 🌐 www.cedarburglightandwater.com
- ☎ 262-375-7650
- ✉ cedarburgutility@wppienergy.org
- 📍 N30 W5926 Lincoln Blvd., Cedarburg

For more information on state-wide programs, contact Focus at:

- 🌐 www.focusonenergy.com
- ☎ 800-762-7077

Please note that some of the programs administered through Focus provide heating fuel savings, and your eligibility will depend on your heating fuel supplier’s participation in the Focus programs. To determine your eligibility, complete the “verify eligibility” information on Focus’s web site or call them directly.
